Clarity Gleam

AMMONIATED GLASS CLEANER CONCENTRATE

Highly concentrated, ammoniated, non-acidic glass cleaner formulated to remove tough dirt, stains, oil, smoke film, and bugs. The versatile, body shop safe formula can be diluted to effectively remove soils from automotive interior and exterior glass, including tinted glass surfaces.

FEATURES & BENEFITS

- Concentrated, ammoniated, non-acidic formula removes dirt and grime without damaging window tints
- Easily diluted with water to desired strength
- Delivers professional-grade results restoring clarity and a streak-free finish
- Body shop safe formula safely cleans glass, and tinted windows

APPLICATIONS & USES

Glass cleaner.

DIRECTIONS FOR USE

1. Dilute in a well-ventilated area or with appropriate respiratory protection.
2. Apply product to any glass surface using a clean dry towel or atomizing sprayer.
3. Dry and polish with a soft, lint-free cloth.

NOTE: The best results can be obtained by using two cloths - one for drying and one for polishing. No rinsing required.
