

PRODUCT NO. 490605

ZenaVolt

BATTERY CLEANER WITH COLOR INDICATOR

Self-scrubbing cleaner and protector that has a color indicator that appears red letting you know when acid is present or neutral. Provides residual corrosion prevention when wiped (not rinsed) and increases battery performance and life expectancy with continued use. Ideal for use on battery powered scrubbers, cars, golf carts, forklifts, trucks, emergency lighting and more.

FEATURES & BENEFITS

- Increases battery life
- Improves performance
- Leaves protective film
- Eliminates corrosion build up

APPLICATIONS & USES

Ideal for use on battery powered scrubbers, cars, golf carts, forklifts, trucks, emergency lighting and more.

DIRECTIONS FOR USE

1. Shake well before using.
2. Spray cables, clamps and all battery surfaces.
3. After several minutes, flush with water.
4. Severe corrosion may require a repeat application and/or agitation with brush.
