

PRODUCT NO. 491285

ZenaFresh Air

A/C INTAKE ODOR ELIMINATOR

ZenaFresh Air is specially formulated to eliminate foul odors in automotive air conditioning systems. Its blend of fragrances and odor neutralizers permanently removes odors from mold, mildew, smoke, and stale air while leaving behind a pleasant scent. For best results, thoroughly clean and flush vehicles A/C system of any odor causing contaminants and grime build-up with the ZenaCore Clean Plus (SKU: 493705) or ZenaCore Clean One (SKU: 493605) prior to using this product.

FEATURES & BENEFITS

- Rapidly and permanently eliminates odors
- Strong fine mist spray to reach entire A/C system
- Easy to apply through exterior air intake

DIRECTIONS FOR USE

1. With engine running, turn the air conditioner on with the fan setting at maximum speed.
2. Check to ensure A/C is pulling in outside air.
3. Hold can 8-12 inches above the air intake vent while spraying the product for 4-6 seconds.
4. Shut off engine and A/C after applying the product.

FOR PROFESSIONAL USE ONLY

Zenex International accepts no liability for excessive use or misuse of the product.
