

PRODUCT NO. 491985

Neutrazen

New Car Scent

TOTAL RELEASE FOGGER ODOR ELIMINATOR

Fast acting dry deodorant spray designed to refresh and restore a pleasant fragrance in institutional, automotive, residential, and commercial environments. This odor neutralizing fogger is equipped with a lock valve setting for full can release applications. The full release valve mechanism is commonly used by automotive detail and restoration professionals to remove pet odor, fire/smoke damage, cigarette smoke, and mildew from upholstery, carpet, car interiors and more.

FEATURES & BENEFITS

- Neutralizes malodors
- Long-lasting dry spray with no fall out or CFC's
- Non-staining, non-chlorinated
- Leaves a pleasant scent

APPLICATIONS & USES

For use in locker rooms, hospitals, nursing homes, smoking areas, cars, boats, RVs, motels, restaurants, and bathrooms. Eliminates odors such as tobacco smoke, cooking odors, mold, mildew odors, urine, feces, decay, rancidity & fire.

DIRECTIONS FOR USE

1. Close all windows and shut down air-conditioning or heating unit.
2. Place can on raised surface near middle of room.
3. Spread paper or cloth directly below can for protection.
4. For total discharge, press valve all the way down, locking the catch.
5. Set can down and immediately leave the room.
6. Do not disturb area for at least 2 hours. Ventilate room for 30 minutes before re-entering.

DISCLOSURE: This product contains Ordenone®. Ordenone is a trademarked ingredient used in air fresheners and deodorizers to eliminate odors rather than just mask them. It works by trapping odor-causing molecules, effectively neutralizing the source of the smell. It is a non-toxic and non-allergenic substance, making it suitable for various environments, including homes, vehicles, and public spaces.
