

PRODUCT NO. 494705

ZenaShine Foam

TIRE & VINYL SHINE

A self-cleaning foam emulsion that cures a glossy shine in minutes. Protects against discoloration, oxidation, and ozone deterioration. Excellent for use on vinyl and synthetic surfaces.

FEATURES & BENEFITS

- Semi-gloss shine
- Water-based silicone formula
- Prevents oxidation

APPLICATIONS & USES

Cleans, shines, and protects rubber, plastic, and vinyl surfaces on your vehicle. For tires, simply spray and allow the foam to penetrate and lift away dirt while leaving away a semi-gloss shine. For extremely dirty tires, it is recommended that the tire is cleaned & allowed to dry before applying. For automotive interior use, it should be applied to an applicator pad or towel and worked into the surface. Product can be applied to wet tires and rubber surfaces such as bumpers, mud flaps and trim.

DIRECTIONS FOR USE

1. Shake well before using.
2. Spray at an 8-inch distance from surface.
3. For more gloss, use 2 applications. For less gloss, wipe once with clean cloth.
4. Whitewalls may require light rubbing with cloth or brush then respray over whitewall.

SIZE / AVAILABILITY

CAN SIZE: 16 oz
NET WEIGHT: 13 oz
QUANTITY: 12 per case
SHIPPING WEIGHT: 14 lbs

PHYSICAL CHARACTERISTICS	
COLOR	White
FRAGRANCE	Fragrance Free
SPRAY PATTERN	Foaming
SHELF LIFE	1 Year +
REGULATORY
