# Adhesives & Screen Openers

## ZENASTICK FLASH ADHESIVE PN: 496985

ZenaStick Flash is a professional-grade flash cure pallet adhesive that keeps fabrics in place while screen printing, ensuring that your designs come out perfect every time.

- Maintains tack with multiple flashes
- High heat resistance for less frequent sprays
- Will not transfer onto garments during flash process
- Safe on all types of fabrics
- Controlled mist spray pattern reduces overspray and minimizes clean-up

20 OZ CAN // 12 PER CASE

## ZENASTICK MIST ADHESIVE PN: 496905

ZenaStick Mist is a highly effective mist adhesive designed to deliver a light mist with a strong tack. This product delivers a heavy tack with no residue left, making it ideal for light fabric screen printing.

- Strong, long-lasting tack after multiple screen printing runs
- High temperature stable
- Will not transfer, shift, or leave residue
- Mist spray pattern

20 OZ CAN // 12 PER CASE

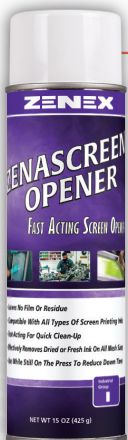

## ZENASTICK WEB ADHESIVE PN: 496315

ZenaStick Web is an ultra-effective, fast drying, high tack web spray adhesive formulated for the screen-printing industry.

- Clear, flexible, non-staining, fast tack performance
- Great temperature resistance
- Ideal adhesive when screen printing high-density garments like fleece or sweatshirts
- Temporary or permanent bond
- Pressure sensitive web spray will not transfer onto garments

20 OZ CAN // 12 PER CASE

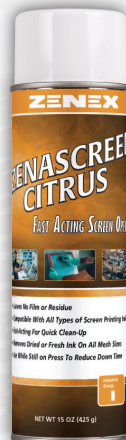

## ZENASCREEN OPENER PN: 496575

ZenaScreen Opener is a powerful industrial grade solvent designed to remove and unclog ink build-up on printing screens.

- Leaves no film or residue
- Compatible with all types of screen printing inks
- Fast-acting for quick removal
- Effectively removes dried or fresh ink from clogged mesh screens
- Suitable for use while still on press to reduce production downtime

20 OZ CAN // 12 PER CASE

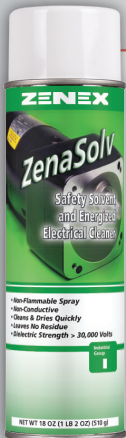

## ZENASCREEN CITRUS PN: 499380

ZenaScreen Citrus is a natural, citrus-based industrial solvent that instantly removes oil, grease and dirt while dissolving ink to unclog printing screens in-line.

- Compatible with all types of screen printing inks
- Dissolves fresh and old ink build-up
- Leaves no film or residue
- No screen removal required – use in-line to reduce production downtime
- Fast acting for quick clean-up

20 OZ CAN // 12 PER CASE

# Cleaners & Shop Supplies

## ZENASOLV PN: 499505

ZenaSolv is an effective safety solvent and electrical cleaner designed to remove inks, resins, greases, oils, and more from screen-printing equipment and other industrial electrical machinery.

- *Non-flammable spray*
- *Cleans & dries quickly*
- *Non-conductive*
- *Leaves no residue*

20 OZ CAN // 12 PER CASE

## ZENASOLV CITRUS PN: 499885

ZenaSolv Citrus is a multi-purpose non-chlorinated d-Limonene solvent cleaner and degreaser for hard surfaces.

- *Non-conductive equipment cleaner & degreaser*
- *Great for industrial grease, oil, and dirt around facility*
- *Adhesive, paint, ink, and graffiti remover*
- *Dries quickly and does not leave behind residue*

20 OZ CAN // 12 PER CASE

## GLEAMONEX PN: 495205

Gleamonex is our best-performing non-ammoniated glass cleaner, providing streak-free and fresh smelling results.

- *Streak-free performance*
- *Thick clinging foam with easy to wipe cleaning*
- *Non-ammoniated*
- *Fresh smelling fragrance*

20 OZ CAN // 12 PER CASE

## ZENAPLEX PN: 495298

ZenaPlex is a professional grade, high performing, anti-static cleaner perfect for acrylic, plexiglass, glass, polycarbonates, chrome, Formica, porcelain, fiberglass, and marble.

- *Anti-fog and anti-static*
- *Fast drying, non-streaking*
- *Removes dirt, dust, and smudges*
- *Protects against wear and scratches*

20 OZ CAN // 12 PER CASE

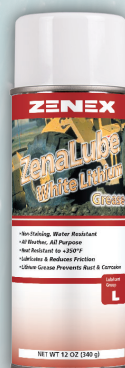

## PENTRAZEN EP PN: 492885

Pentrazen EP is a foaming rust penetrant formulated with a superior blend of lubricants, solvents, and moisture displacing oil. Penetrates, busts rust, cleans, displaces moisture, protects, and provides long lasting lubricity on any surface. Perfect for screen-printing equipment, industrial machinery mating parts, and more.

- *Penetrates corrosion*
- *Long-lasting penetration*
- *Resists temperature breakdown*
- *Extreme pressure, creeping formula*

20 OZ CAN // 12 PER CASE

## ZENALUBE WHITE LITHIUM PN: 496605

ZenaLube White Lithium Grease is an all weather, heavy duty, industrial penetrating grease. Sprays like a liquid, creeps to lubrication point like an oil, then cures to a thick, water resistant grease.

- *Non-staining, water resistant*
- *Heat resistant to 350°F*
- *Guards surfaces against rust and corrosion*
- *Great tenacity, clings to metal and will not run*

16 OZ CAN // 12 PER CASE

## INDUSTRIAL SILICONE

PN: 497760

Zenex Industrial Silicone is an all-in-one non-stick dry lubricant and release agent for professional and industrial use. Improves equipment longevity, enhances performance, and reduces downtime in print shops.

- *Spray mist pattern*
- *Repels dirt, dust, and grime*
- *Long lasting lubrication and corrosion protection*
- *Reduces friction and heat*

20 OZ CAN // 12 PER CASE

## MAXX-50

PN: 210565

Maxx-50 is the perfect floor cleaning solution for mopping up large spills or general maintenance care of print shop floors, bathrooms, walkways, and office areas.

- *Emulsifies grease, oil, inks and dirt without the use of acids*
- *Highly concentrated formula, easily dilutable for light or heavy-duty deposits*
- *Moderate foaming with excellent detergency and wetting ability*

SIZES AVAILABLE: 1 gallon // 55 gallons // 275 gallons

# THE WINNING COMBINATION FOR SUCCESS

## CUSTOMER SERVICE

Our customer service team is revered for their friendly and fast responses. We employ a “customers come first” mentality that drives us to provide outstanding support to our customers. Our quick response time, speed of delivery, high-level professionalism and overall exceptional service set us apart from the competition. We are committed to an efficient and consistent customer experience, allowing our customers to get back to the work that matters most.

## GRAPHIC DESIGN SERVICES PRIVATE LABEL BRANDING

Our in-house, full-service team of graphic design specialists have nearly 50 years of combined experience creating customized logos and label artwork for customers. Our approach is focused on consulting directly with customers to quickly deliver high-quality designs that enhance brand awareness and expand market outreach. Our team of experienced regulatory and graphic design specialists work directly with distributions partners to ensure the customized private label process is seamless and successful. With thousands of in-house aerosol and liquid formulations to choose from, Zenex is your full-service-shop for expanding your brand.

## RESEARCH & DEVELOPMENT

Our in-house research and development laboratory team performs in-depth quality and performance testing to validate formulations and ensure customer success. We provide new product development services, exceptional quality assurance, and unmatched application expertise and support. Our team is dedicated to getting you the formulas, products, and support your company needs to succeed.

# Industrial Grade Hand & Surface Care

PRIVATE LABEL ONLY

## CONCENTRATED MAGIC™ HAND SOAP PN: 235883

Concentrated Magic™ Hand Soap is the absolute best super concentrated industrial strength hand cleaner for industrial and production professionals – it works so well, it's like Magic.
